

European Congress of Local Governments

ORGANIZER'S ANNOUNCEMENT

6th European Congress of Local Governments in Karpacz

DATE: 7-9 DECEMBER, 2020

Due to the coronavirus pandemic and taking into account the recent recommendations of the Chief Sanitary Inspectorate, the National Institute of Hygiene and the Prime Minister of Poland, we kindly inform you that the conference will be held on 7-9 December 2020 in Gołębiewski Hotel in Karpacz. The safety of our guests has always been our priority for every event we organize.

We encourage you to continue our cooperation. On our part, we are constantly trying to prepare the best possible conference program. We would like the time spent in Karpacz to be an opportunity for you to fully participate in expert debates and panels. This will certainly translate into new experiences, resulting in more efficient and effective management of local governments for the benefit of local communities.

We would like to thank our speakers, participants and partners. For years of cooperation, for inspiration and for your presence at our conferences. We trust that despite a difficult year, we will meet you in December.

We wish you good health,

Organizers of the 6th European Congress of Local Governments
